

## PHARMACY BENEFITS PROGRAM

THA Innovative Solutions offers a Pharmacy Benefit Program that is able to negotiate more competitive pricing for THA members.

## What it is:

A PBM offering available to self-funded hospitals

## Advantages:

- Improved savings opportunities for THA members
- Enhanced flexibility with competitive pricing
- Concierge, high-touch service and account management with extensive industry expertise

## Next Steps:

- Receive a **complimentary savings analysis** demonstrating your hospital's potential savings using claims data
- Let's discuss how we can improve the ROI of your hospital's Pharmacy Benefit Program
