Introducing Vizient Commit

Do much more than save. Manage uncertainty, strengthen supply resiliency and support a healthy bottom line with the **best and brightest minds in healthcare**, convened by Vizient.

This allows **you to focus on other initiatives** that will move your organization forward toward **cost-effective sustainable change and better patient care**.

Vizient Commit is the industry's most flexible, holistic solution for providers of all sizes to **drive value and efficiency across any spend categories you choose**.

- Med-Surg
- Physician Preference Items (PPI)
- Pharmacy
- Capital
- Indirect Spend

We offer the best analytics and reporting, dedicated expert resources, and products and services **clinically vetted by leading U.S. providers**.

Managing Your Capital Costs

The Vizient Commit | Capital program offers providers **exceptional value in select capital categories** in exchange for defined purchasing commitments.

Working together with Vizient experts, **increased efficiency can be realized** by shifting costly and time-consuming local contracting to our team.

How providers access value

- Sign a participation agreement allowing Vizient to negotiate the best value on your behalf
- Share capital budget data with Vizient for aggregation of specific modalities / categories
- Agree to compliance with suppliers selected and managed by Vizient

Vizient, Inc. provides solutions and services that improve the delivery of high-value care by aligning cost, quality and market performance for more than half of the nation's healthcare providers. Vizient provides expertise, analytics, advisory services, and a contract portfolio representing more than \$130 billion in annual member purchasing volume, to improve patient outcomes and lower costs.
