INNOVATIVE  
SOLUTIONS

## Connecting Tennessee hospital leaders with the most innovative solutions available

THA Innovative Solutions actively seeks out new, innovative vendor partners that address the specific needs of THA member hospitals. Each partner undergoes a robust vetting process to ensure they deliver substantial value by saving staff time, reducing costs, and enhancing patient care.

### Our Endorsed Partners

Qualivis

Healthcare-focused Workforce Solutions  
[qualivis.com](https://qualivis.com)

With over 300 agency partners, Qualivis offers a holistic approach to their solutions for healthcare staffing including clinical and non-clinical staffing, provider solutions, interim leadership, international, float pool management and permanent hiring. Qualivis is a strategic workforce partner focused on total workforce management to reduce agency costs, streamline processes and free up administrative bandwidth.
